A Note From Pastor Andrew

I was reading recently about how to get new people into church, or what people may be looking for when it comes to finding a church home. In this article, there was one question that we must seek to answer as we work on welcoming new people to the fold, and I'm wondering how you might answer the question.

"What is the best thing about this place that you would want new people to know?"

As we look to the future, we must seek new growth. I look forward to the discussions ahead and please let me know what your thoughts are on this question.

God loves you and so do I,

Pastor Andrew
